

Riverside Primary School

Year 1 Parent Information for Autumn Term 2023

Maths

Pupils will be working to achieve the following objectives:

Number - number and place value

- Read, write, order and compare numbers up to 20 and determine the value of each digit.

Number - addition & subtraction

- Understand the Whole-Part-Part model.
- Find a missing 'part' of a number sentence.
- Begin to understand and use the addition, subtraction and equals signs correctly.
- Complete fact families for each number using addition and subtraction.
- Know all of the number bonds to 10.
- Subtraction by counting backwards.

Geometry - properties of shapes

- Recognise and name 2d and 3d shapes.
- Sort 2d and 3d shapes by properties.
- Make patterns using 2d and 3d shapes.

English

Talk Through Stories

- Every week we will share a story to extend and deepen new vocabulary. We explore character and plot. We talk about story and build ideas for our own story writing.
- Pupils will learn to write simple sentences using the correct punctuation; capital letters, finger spaces and full stops.

Phonics

Read Write, Inc

- Everyday we learn to read and write in our *Read, Write, Inc* groups.
- Pupils will learn to read and spell sounds and words using the sounds they know. (Year 1 focus on Set 2 and Set 3)
- Pupils will learn to decode their matched phonic story books and develop fluency.
- Pupils will write simple sentences with the correct punctuation; capital letters, finger spaces and full stops.
- Pupils will begin to extend their writing into short compositions.

Science

- Pupils will learn all about the human body.

P.E.

- P.E. will be on Tuesday afternoons

Computing

- Pupils will use the school VLE.
- They will learn how to stay safe on the internet.

History

- Pupils will investigate their history topic through the following question:
- Are Ipads more fun than our Grandparents' old toys?

Art

- Pupils will learn how to draw and paint a self portrait using a variety of materials.

Music

- Pupils will improve their performing skills through singing and playing instruments.

Geography

- Pupils will learn about where they live and discover places that are near to us and places that are further away.

D.T.

- Pupils will learn how mechanisms, wheels and axels work and will create an end product linked to their history topic on toys.

PSHE

SMSC/SEL/RSE

- Pupils will discuss relationships and celebrate similarities and differences.

Homework

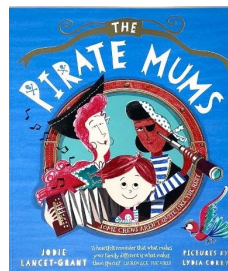

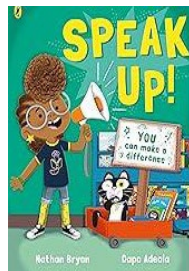

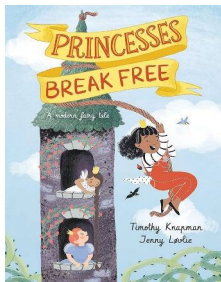

Reading:

Please read with your child every day. They will read their *Read Write Inc* book and a 'Book Bag Book' each week. They will greatly benefit from reading the same stories again and again to build fluency.

Shared reading for pleasure

Each week children will bring the familiar books from *Talk Through Stories* or a *Treasure Chest* for you to read and share with them for pleasure.

- **Diversity** We're all different, we're all wonderful.
We will share these new carefully chosen favourite five stories to celebrate our identity in the world and gain a more in depth understanding of others.

Spellings:

Your child will learn to spell in *Read, Write, Inc* lessons every day. Children have a spelling book to practise these spellings. They will bring this home in their book bags. Please practise these spellings with your child. We look forward to seeing their home practice in these books.

Date for your diary

Our coffee afternoon will be on Monday 9th October 2023

We hope that you can join us 😊

Don't forget to follow us on Twitter to see all our latest news at @RPS_Conkers and on the Marvellous Me app.

Many thanks for your continued support,

Mrs Nicolls, Miss Williams, Mrs Richards, Ms Johnson & Ms Murray
