Dear Parent/Carer,

I hope you are enjoying your week and making the most of this lovely weather.

You may have seen some building preparation work at school this week; we are very excited to tell you that work is beginning on an extension to our Nursery/Reception area that will enable us to open a separate space for 2 year olds from September.

The site is being prepared this week and work will start on Monday 7th June, which will continue right through the next half term and over the summer holidays.

Whilst this work is being carried out, our Nursery class will move into the hall and our Reception class will have slightly reduced classroom space, the entrance to the EYFS yard will also be blocked off. Due to this, we have moved the drop off and pick up location of both Reception and Nursery pupils. From Monday 7th June, Reception and Nursery pupils will now be entering via the outer hall door and parents are asked to come in via the middle gate on Brighton Street, you can then wait on the grassed area outside of the hall.

The current staff car park is being used as part of the site works, so there will be no entry point through those gates, only the middle gate on Brighton Street. A fence will be put up across the grassed area to block this off, to ensure the safety of all parents and pupils.

After school club will still be using the hall at the end of the day and you are asked to continue using the middle gate on Brighton Street to collect your children.

We appreciate there may be some disruption around the main entrance to the school but we ask you to work with us during this next half term to ensure the safety of all pupils, parents and staff.

Thank you for all your support, during what is a very exciting time for Riverside.

Very best wishes,

Mrs C Lahive
