Happy Friday Riversiders!

Yet another exciting week at Riverside... where every moment is a learning moment!

BE KIND:

Thank you so much to The Willows class who made me such delicious pumpkin soup from their garden this week and for a lovely birthday breakfast too! TRULY SCRUMPTIOUS!

BE SAFE

ECO NEWS: LITTLE CHANGES MAKING BIG DIFFERENCES!

The Willows set a new challenge this week: use 2 sides of the paper when printing to save trees!

BE A GREAT LEARNER:

This week's recognition board challenge was 'determination.' The Raven Class were the winners this week.

MATHEMATICS CHALLENGE:

All pupils from Years 1 – Year 6 have been set challenges on Mathletics-an online platform that can be accessed on a variety of devices. How many activities can you complete over the weekend?

Diversity – WE ARE ALL DIFFERENT: WE ARE ALL WONDERFUL!

In assembly this week, the spotlight was on The Raven class and they told us about their British Hero Marcus Rashford, MBE.

R – Well done again to all our early bird parents who have been joining Mrs Rice Oxley's phonics coaching club – one of the best gifts we can give our children is to teach them to read, with such team work how can we fail? News just in: nationally, 75% of children achieved the phonics screening check. But at Riverside, 85% of our children passed! AMAZING!

In assembly this week, we heard Kirstie read her beautiful 'I am Enough' poem in assembly. Also, in the world of poetry we are proud to announce ... The Raven class's version of Hilaire Belloc's George poem. A recital and a silent movie – SUPERB! [CLICK HERE](#)

W – I enjoyed joining The Larks this week when they were learning the important rules of writing spoken sentences for their work on newspapers. Mrs Lahive exclaimed, 'WOW!' [CLICK HERE](#). Meanwhile, The Raven Class were busy learning about semi-colons! [CLICK HERE](#)

Mrs Bentley's Handwriting Challenge continues...who will impressing her during her – 'Poppins Pen Pop Ins next week.

T – Our Fern children enjoyed a day creating their own rap poems with a professional rapping artist! [CLICK HERE](#)

WE ARE SCIENTISTS AT RIVERSIDE FOR SURE!

Mrs Weatherall, Miss P and myself enjoyed our Science Learning Walk this week we were so impressed with your questioning. Adder Class and I have been trying to do the bees waggle dance all week! In STEM club, the children used their computing skills to make themselves disappear! [CLICK HERE](#)

ATTENDANCE

Well done to all our 100% club winners! Congratulations Larks class for achieving 97% attendance since the start of term. Please continue to support us because every day counts and we really do miss you when you're not here!

A Great Start to the Day... every minute counts!

Following our recent surveys and School Council meetings, we are changing the arrangements for the start of the day to help everyone be in class ready to learn, and to give everyone the chance to have breakfast. Deb's diner will be open from 8:30am to 8:50am. School gates on both yards open at 8:45am and close at 8:55am. If your child arrives after the gates close at 8:55am they will need to sign in at the office and will get a late mark.

PASSPORT OF POSSIBILITIES Well done to all our happy walkers this week who enjoyed our beautiful 'Riverside' view along the prom. We are busy planning our next exciting out of the classroom experience as Chester Zoo were so impressed with our classes that visited last week, that they are offering some free visits for other classes! WATCH THIS SPACE!

Very best wishes, Mrs Lahive 😊
