Week 6 at Riverside!

What's been happening at Riverside this week?

On Monday we opened our door to the new nursery Acorns' class. At last a facility that we deserve! Here are some of our Bob the Builders saying thank you to our architect and builders.

The Otters have been busy out in the community. They collected food and took it to St. Paul's Church living out one of our core values: Be Kind.

The Larks have been collecting leaves and classifying them in science. Next week they're time-travelling back to Ancient Greece. They impressed me this week with their knowledge about Judaism.

On the yard The Ravens and friends have been learning 'The Witches' Spell' from Shakespeare's Scottish play. Their 'lizard legs' have been amusing me all week!

Aspirational Talks

On Wednesday we were lucky enough to have the marvellous Mrs Wisbey give an inspirational talk about her work as a paramedic. We thought she was 5 star. She talked about the qualities you need to do her demanding job.

Michelangelo Clubs

The Rugby Team did us proud at Birkenhead Rugby Park. We won 4/5 of our games! Great team spirit!

Core Value: Be Safe

We have received 3 safety notices which we would like to share with you. The first is from Wirral Safeguarding as there have been two recent fatalities in Merseyside of deaths of young children , caused by poorly installed fireplaces, bookshelves, TV cabinets and chest of draws.
