## Message from Mrs Lahive *Ancora Imparo - I am still learning*

Happy Friday Riversiders! It's been another exciting week....

**BE KIND:** Next week is Refugee Week and on Monday, we received delivery of a suitcase that is travelling from school to school. The children contributed to a handkerchief display, and passed the suitcase on to our neighbours at Park Primary school. [CLICK HERE](#). The children have been so welcoming to the new members of our Riverside family who have had to leave their homes. Today, while our Y6 Kingfishers are on their Titanic adventure, we will be raising money for children in Ukraine.

**BE SAFE:** With the hot weather finally making an appearance, the 'keeping safe in the sun code' is as follows:

- Seek shade • Cover up e.g. hats, long sleeves, and trousers • Drink plenty of water to avoid dehydration.
- Apply sunscreen generously (this needs to be provided from home and pre-applied by an adult and/or self-applied) • Take care not to burn • Protect children (children still require protection if the weather is cloudy and cooler; clouds do not block UV rays they only filter them).

**BE A GREAT LEARNER - EVERYONE CAN DO MATHS: EVERYONE CAN!**

The Larks are busy becoming times tables tricksters, multiplication masters and professors as their big multiplication test is fast approaching. Thank you for all your help and encouragement at home – this makes a MASSIVE difference.

**WE ARE TALKERS, READERS AND WRITERS OF THE FUTURE!**

There was much excitement this week as we all started our very own poetry odyssey. We entered the world of Humpty Dumpty, beetles, tummy beasts, exploding balloons and double, double, toil and trouble! [CLICK HERE](#). To give us further inspiration we were visited by a theatre company, who invited us into their 'Garden of Poetry'. [CLICK HERE](#). The children enjoyed sharing lots of classic and favourite poems. [CLICK HERE](#) to listen to Year 1 and 2 recite their poem.

**WE ARE SCIENTISTS AT RIVERSIDE FOR SURE!**

All our British Heroes were invited to our Jubilee Jamboree but as you can appreciate, they are very busy people. We have a reply from Sir David Attenborough, and we also received this email from Dame Sarah Gilbert who has asked permission to use our 'Barbie Girl in a Science World' video. [CLICK HERE](#). Amazing work by our Adder class!

**WE ARE LEARNERS ABOUT WORLD RELIGIONS**

Mrs. Elson's special presentation 'R.E: BIG IDEAS' was a HUGE success. The children shared their learning through song, dance, drama and art about all the wonderful diverse faiths of our world. An assessor for Oxford University (yes, Oxford!) said it was one of the loveliest afternoons she had ever had. [CLICK HERE](#)

**ECO WARRIORS**

This week the Willows have been building their own bughouse to protect all the mini beasts in our garden.

**SPORTING HEROES**

Congratulations to the Cricket Team who beat St. Josephs on Tuesday in what was an incredibly exciting game. It went down to the last ball and with the scores level, Niall hit a huge six to give us the win!

Everyone contributed to a great team performance with excellent batting, bowling and fielding. Well done to Niall (Capt.), Summer H, Lola, Lucy, Caleb, Josh, Jacob H, Reggie, Kobi, Leo, Antonio, Zion! [CLICK HERE](#)

Also, a big well done to our Y4 class who completed a 6-week course of golf skills with Liverpool FC. Foundation Team and were thrilled when they all received a certificate and a medal at the last session. Congratulations Year 4 on your wonderful commitment to and participation in the excellent golf sessions!

Have to make a run for it as I'm due on board the Titanic this morning and for the life of me, I can't find my ticket! Five stars and assembly will be next week when we are all safely back on board!

Mrs Lahive 😊

## 5 Stars of the week ★★★★★

## Our 5 Star learners

Seedlings

Acorns:

Otters:

Conkers:

Bluebells:

Adders:

Larks:

Ravens:

Kingfishers:

Brambles:
