

Ancora Imparo - I am still learning

Happy Friday!

Yet another exciting week at Riverside living out our core values...

Be Kind

Our Year 4 Tag Rugby team flew the Riverside flag of Respect at Birkenhead Park when they were awarded as 'Champion Team' for teamwork and respect! For more details, see the sports section below.

Be Safe - Eco News

We're in the final countdown for Beat the Streets so get out there and scan those cards. Our Willows Eco Warriors have selected Kingfishers and Ravens to help save our planet by recycling batteries to stop tons of batteries ending up on landfill sites.

Be a Great Learner

The Seedlings have been colour matching and catching fish in their slime pond [Click here](#). The Otter class enjoyed a fabulous fun packed day at Vale Park and New Brighton beach. They even bumped into one of their favourite book characters – Julia Donaldson's stick man.

In preparation for our Jubilee Jamboree, the Kingfishers have been creating Queen Elizabeth II family tree [Click here](#).

Well done to our Bluebell class who have been working very hard this week with their very hard KS1 SATS quizzes.

Readers of the future

All the children have worked so hard to learn their sounds and to read them accurately in words. Their love of reading is just brilliant! Following the half term holiday, Y1 children will be showing how well they can read in the Phonic Screening Check. Please practice the real and nonsense words (in book bags) over the holidays to give them the best chance to pass! [Click here](#).

Writers of the future

School Council met this week and decided who they would like to invite to our Jubilee Jamboree next week. HRH and all our British Heroes were firm favourites, as well as members of the local community.

We used our best handwriting for these special invites.

As I mentioned in last week's Newsletter, we are having a big push on Spelling and will be bringing their new spelling books home from Monday. Check out the ways that we are learning our spelling to keep them in our long-term memory.

Talkers of the future

Our Seedlings and Acorns continue their quest to learn Nursery rhymes for our jubilee. This week they shared Once I Caught a Fish Alive with Mrs Webb - one of our school governors.

We are scientists at Riverside for sure

The Lark children enjoyed an inspiring talk by Mr Fox about being an electrician. What a bright spark! [Click here](#)

The Stem club were creating Bug Hotels using technology [Click here](#)

The Adders used UV beads for their Science investigations – look what they discovered [Click here](#).

Sports News

Well done to the Year 4 Tag Rugby Team who had a great tournament at Birkenhead Park Rugby Club on Tuesday. They were undefeated and finished in second place, but were then awarded 'Champion Team' for teamwork and respect – this was voted for by the other teams, which made it even more special. In true Riverside style, they then sang their 'Respect' song in front of everyone! Congratulations to Beau, Archie, Jake, Frankie, Annabelle, Kelly, Louis and Michael.

Communication

We have our new noticeboards at all our different entry points around school as some of you have expressed that sometimes you miss the weekly newsletter. We hope these help keep you in the know!

Dates for your diary

Jubilee Jamboree coffee mornings/afternoons:

Join us for our termly coffee mornings/afternoons and celebrate the Platinum Jubilee of Her Majesty the Queen, followed by the chance to talk to your child's teacher with some refreshments.

All sessions will be in the hall except for Nursery and Seedlings, who will have their sessions in the classrooms.

Please enter via the hall door through the gate on Brighton Street, not through the main office.

Due to unforeseen circumstances, we have moved the Bluebells coffee morning to the following week.
