

Happy Friday Riversiders!

Yet another exciting week at Riverside... where every moment is a learning moment!

### **BE KIND:**

The Seedlings have been thinking about all the people in their lives who have been kind to them and who make their days as happy as sunshine makes us. [CLICK HERE](#). And a special thank you to Isabelle who is our poster girl for kindness. As well as being Mrs. Lahive's PA, she's always at hand to help Miss. Evans in the office. What would we have done this year without you?

### **BE SAFE**

It is so wonderful to see so many of our children riding to school. Could you please remind them to walk their bikes and scooters out to avoid knocking into anybody?

### **ECO NEWS:**

The Willows' Recycling Caterpillar is complete, and our Eco Warriors are continuing their mission to save the planet making a big difference [CLICK HERE](#).

### **BE A GREAT LEARNER:**

Our Acorn class are getting ready for big F2 by practising pencil control. Look at them getting busy. [CLICK HERE](#). Wirral Borough Council, along with HLP and Digital Urban, visited our Ravens class on Thursday to involve them in exciting future developments of the local area [CLICK HERE](#).

### **READERS, WRITERS AND TALKERS OF THE FUTURE**

Poetry fun continues throughout the school and we are looking forward to sharing our renditions with you at the end of the day during the final week at Poet's Corner. Your child's class teacher will let you know the date and time on Monday.

### **WE ARE SCIENTISTS AT RIVERSIDE FOR SURE !**

It was the final STEM Club of the year yesterday and our budding scientists finished with a great session on coding games and quizzes about their favourite animals [CLICK HERE](#). The countdown has begun for the Adder's special zoom with top scientist and vaccinologist Dame Sarah Gilbert MBE next week...

### **EVERYONE CAN DO MATHS: EVERYONE CAN!**

We had our Maths governor Gail Webb visit our school on Wednesday. She was very impressed with the children's love and knowledge of mathematics.

### **DEB'S DROP IN**

It was lovely to see that some of you were able to drop in for a cuppa and a chat with Mrs. Bowness and Miss. Evans on Thursday at drop off from quarter to 9. There is talk next week that there may even be a bacon butty or a pastry.

### **SPORTING HEROES**

#### **I'm a Year 6, get me out of here....**

Our Kingfisher class were sporting heroes this week in their outdoor adventures in Bala in North Wales! They took part in canoeing, gorge-walking and zip lining to name but a few.... [CLICK HERE](#), [CLICK HERE](#), [CLICK HERE](#).

It was wonderful reading all your children's reports. We hope you enjoy them and are proud of all that they have achieved this year. We have taken on board parents' views to have a paper copy this year. If you require an extra copy of your child's report, please let their class teacher know next week. And finally, Happy Eid, enjoy any celebrations!

Until next week,

Mrs Lahive ☺

## 5 Stars of the week ★★★★★ Our 5 Star learners

Seedlings	Remy
Acorns:	Kyrann
Otters:	Jacob
Conkers:	George
Bluebells:	Frankie & Archie
Adders:	Karter
