

Happy Friday Riversiders!
Ancora Imparo - I am still learning
Yet another exciting week at Riverside...

Only four days, but we certainly crammed a lot in ...

BE KIND: We were very excited in Early Years to welcome the latest members of our Riverside family... our Riverside guinea pigs: Lilibet, Julia, Luna and Ginny. [CLICK HERE](#) and [CLICK HERE](#). The Otter and Acorn children have been so kind looking after our new friends.

BE SAFE: ECO NEWS: thank you for supporting 'Beat the Streets' it is great to see the children getting involved in such an environmental and healthy project. It runs until the end of May, so keep getting out and beeping those cards!

BE A GREAT LEARNER: The Seedlings enjoyed Finger Fitness Friday with their sticky board shape pictures, threading skills and dough disco. [CLICK HERE](#)

In the world of art, Mrs Richards has been working with The Willows class on their Vincent Van Gogh topic. [CLICK HERE](#). Well done to Mr Egan, Miss Gordon and The Willows for helping make Vincent's Garden (Le Jardin de Vincent) so beautiful and ready for some happy art therapy sessions.

Jubilee Jamboree update – The Bluebells are using their drawing and painting skills to produce portraits of the Queen for a special display at Morrisons.

TALKERS OF THE FUTURE: Nursery rhyme fun continues as the Acorns, and the Otters class prepare for a special performance at our Jubilee Jamboree. This week I had fun joining them when they shared Twinkle Twinkle Little Star with their friends in Manchester.

READERS AND WRITERS OF THE FUTURE!

We had an official visit from our School Associate Partner to look at our curriculum. Our visitor was very impressed with our phonics and with the Key Stage 2 children who read some of their favourite pieces of writing to her.

WE ARE SCIENTISTS AT RIVERSIDE FOR SURE!

The Larks have been exploring how electricity is transported in their own unique way! [CLICK HERE](#)
STEM club started again for a new group of children for the summer term.

EVERYONE CAN DO MATHS: EVERYONE CAN!

Miss P's maths challenge has got everyone trying to shape up! Every class across the school enjoyed their shape Do Now Tasks for a whole week. [CLICK HERE](#)

SPORTING HEROES

LFC were back in school this week running their athletics and golf sessions with Key Stage 2, while The Otters had more fun balancing with HYPE - check out their skills! [CLICK HERE](#). The cheerleaders' club continued to practise for their first performance at our Jubilee Jamboree.

SATS

We wish our Kingfisher and Bluebell classes lots of luck with their SATs. Having missed so much time from school, they have really worked hard - we are very proud of them.

Here's to a wonderful summer term!

Mrs Lahive ☺
