<u>Sports Premium</u>

<u>How Ofsted judged it...</u>

'Sports premium funding is making a positive difference to pupils' participation in, and enjoyment of, physical activity. Expert coaching is helping to lift teachers' skills in teaching physical education. Pupils are also gaining a broad experience of different types of sport. For example, they can sample tennis, rugby and judo. The youngest children are also involved with ballet lessons, helping to develop their physical skills. Pupils and staff are extremely proud of the school's recent success in local football and volleyball competitions' Ofsted 16 What Ofsted said about Governors knowledge of Sports Premium...

'Their understanding of sports funding is stronger than their grasp of pupil premium expenditure.'

The school receives £17,500 Sports grant for 2018 / 2019. There is also a carry forward from the previous year. Details of spending and impact will be given at Summer 2019 meeting.

The Vision for our School

THERE'S NO PLACE LIKE RIVERSIDE!

I smile and say hello.

I listen to learn.

I care for everyone and everything.

I keep healthy and have a positive attitude.

I am learning how to face the challenges of the 21st Century.

Sports Premium Funding 18-19
