4th March 2021

Dear Parents/Carers,

We hope you are as excited as us about March 8th. The day when we can welcome back all our lovely children!

Your child's class teacher will be posting a welcome back message to you on the 'announcements' page on their google classroom by tomorrow; and also on the school website under 'Coronavirus updates' with our top tips for a happy and safe return on Monday including important information such as:

1. Start and finish times.
2. Which gate/entrance to use.
3. Reminders about returning school iPads/Chromebooks/Laptops or any books from school.
4. Information about P.E days as this may have changed. Your child will need to come to school in their P.E kit on the day they have P.E.
5. Reminders about only bringing in a bag if they your child is on packed lunch.

Sadly, we are still in National Lockdown so we have to keep some of our restrictions in place:

- Face coverings/masks for drop offs and pick-ups.
- Contacting staff via email or phone call **only**.
- Parents will only be allowed into the school building if an appointment has already been made.

Hopefully it will not be long until we can open our doors again to everybody. We have come this far and just need to keep each other as safe as we can so that we don't have to ever go through this again.

On behalf of the Governors and staff, I would like to thank you all for the wonderful support you have been to the whole school community.

Below is the timetable of start and finish times:
